

Toilet Repair

Retail Ready Programs

Designed to Maximize
Sales, Turns, Margins
and Profit

Toilet Repair is the most profitable portion of the plumbing aisle. It represents some of the best turns and the best margin.

- Comprehensive selection of universal fit parts
- Branded parts to fit the most popular manufactures and brands
- Repairs for classic 2" style flush valves and new 3" models
- Clear, easy to understand instructions for consumer confidence
- Small inner packs to fit on hooks and increase turns
- Compliance with all codes and regulations
- Promotional opportunities—end caps, PDQ displays, stack-outs, quarter pallets

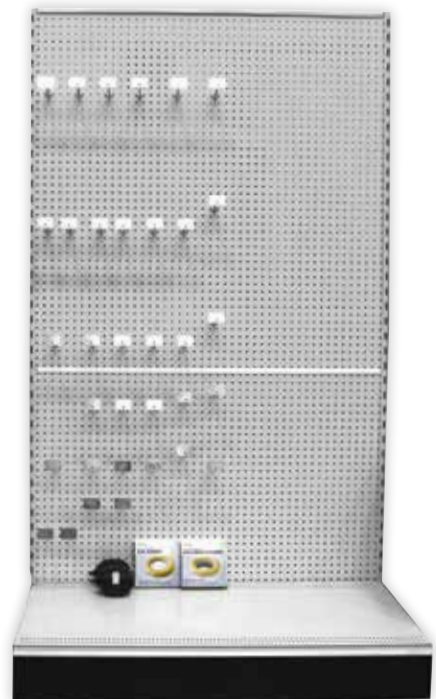

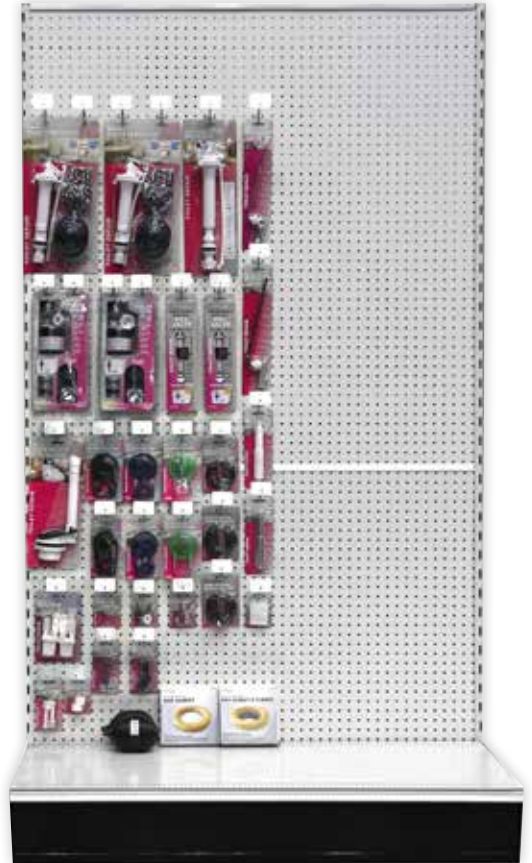

2' Basic Toilet Repair
